

Camposol Holding PLC reports its Third Quarter 2023 preliminary results.

November 29, 2023

Camposol Holding PLC sales amounted to USD 264.6 million, with a recorder gross profit margin of 27.9%, during the first nine months of 2023. EBITDA from continuing operations reached USD 52.3 million, up 32.7% compared to the same period in 2022, with a corresponding EBITDA margin was 19.7%. This increase is mainly explained by higher prices of blueberries.

As of September 30th, 2023, the Company maintained a cash balance of USD 22.2 million and a net leverage ratio of 7.5x.

The Company continues executing its strategy to become a year-round supplier of fresh fruit to our global clients complementing its Peruvian window operations with investments in Colombia, Uruguay and lately in Chile, and capitalizing on its commercial and logistic platforms.
